## Joey Ice Ice Sculpter at Ice Fantasies

"I found what I was supposed to do very accidentally," says Joseph O'Donoghue ("Joey Ice") of Ice Fantasies. While working as a hotel chef in 1991, he thought the ice sculpture at the Sunday brunch just wasn't up to snuff and tried his own hand at it. Within months the media was in a frenzy over his creations and he had stumbled into a fateful — and fruitful — career. With a client list that now includes everyone from HBO and MTV to Martha Stewart and Irving Penn, you could say he's chiseled out his place in the world.

T-shirt, \$35, suede belt with leather buckle, \$39, and jeans, \$249, all by Diesel; boots, Joey's own.
